DEFINITIONS

❖ Mediation

Mediation is a consensual process in which a neutral third party (the mediator) assists parties in a dispute in reaching their own resolution. Cases with underlying disputes, personal relationships, and emotional issues are good candidates for mediation. The mediator has no authority to make a decision or impose settlement. There is no formal evaluation by the mediator. The mediator helps facilitate communication, promote understanding, focus the parties on their interests, and seek creative problem solving to enable the parties to reach their own agreement. The mediator may offer suggestions and help parties develop options; however, the parties retain the ultimate decision-making power.

❖ Arbitration

The primary goals of arbitration are to speed up the resolution of cases, reduce litigation costs to the parties and to the court, and provide attention to cases that otherwise would settle with little or no involvement of the court. Attorneys, or *pro se* litigants, present documentary evidence, testimony, and legal arguments in a hearing, before a neutral, third party fact-finder. The arbitration may be conducted with one fact-finder in which case the arbitrator must be an attorney with at least five years experience or a panel of arbitrators may be used from different areas of expertise (with the lead arbitrator being an attorney). In non-binding arbitration, the arbitrator(s) renders a decision which becomes the order of the court unless appealed within a specified number of days, in which case a trial *de nova* is granted. The parties may stipulate in advance to binding arbitration, in which case the award is immediately converted to a judgment.

❖ Case Evaluation

Case evaluation provides the parties with a **confidential**, non-binding evaluation of their case by an impartial, experienced attorney. The neutral reviews the case with the litigants and their attorneys and gives advice on the strengths and weaknesses of their case and the likely outcome at trial. The case evaluator may help parties convey additional information to each other, develop a discovery plan, and narrow the issues in dispute. Often the neutral assists in facilitating the resolution of the case or in developing a settlement plan.

Mediation and Case Evaluation sessions and related materials are confidential. No information will be provided to the Court, other than the fact that a case has settled or a follow-up session is needed.

STANDING ORDER ON JURY TRIAL CONDUCT AND READINESS
STATE COURT DIVISION 5, JUDGE ERICA K. DOVE

Unless the Court has previously ordered otherwise, the following shall apply to the cases called for jury trial.

1. **CONSOLIDATED PRE-TRIAL ORDER**

No later than 3 business days before trial counsel for the parties shall submit a consolidated civil pre-trial order pursuant to U.S.C.R. 7.2. Counsel for Plaintiff shall prepare the consolidated pre-trial order. Other counsel must submit their portion(s) of the consolidated pre-trial order to the counsel preparing the consolidated order 5 business days before trial.

2. **DEPOSITION OBJECTIONS**

The Court **WILL NOT** rule on any deposition objections made for the first time on the day of trial, regardless of when the deposition was taken. This applies to all depositions which might be used at trial.

Counsel and parties shall discuss and attempt to resolve all objections to depositions prior to trial. Parties shall report to the Court in writing any unresolved objections, motions, etc. concerning deposition(s) at least 8 business days prior to the trial date. Objections, motions, etc. reported to the Court shall include the full text of the deposition passage at issue, including citation to the line(s) and page number(s) at issue.

Any party opposing an objection, motion, etc. regarding a deposition shall have three (3) days following filing (of the objection, motion, etc.) to respond to the timely filed objection, motion, etc. regarding a deposition.

The failure to timely file objections, motions, etc. regarding depositions may be considered a waiver of the objection at issue.

3. **EXHIBITS**

All exhibits shall be pre-marked and listed on an exhibit list. Copies of all exhibits and a copy of the list of exhibits shall be provided to each opposing counsel. A copy of the list of exhibits shall be provided to the court. All copies and lists of exhibits shall be exchanged prior to trial and copies shall be submitted to the court at the time Requests to Charge are submitted. Counsel shall not show exhibits to the jury without prior permission from the court.

4. **STIPULATIONS**

Stipulations shall be reduced to writing and submitted to the Court prior to trial.

5. **REQUESTS TO CHARGE**

Requests to Charge shall be submitted in two forms: A) hard copy for the record;

and B) an electronic copy for the Court (e-mail: dan.whitworth@gwinnettcountry.com) prior to the beginning of trial.

6. **VOIR DIRE**

Voir dire questions shall comply with U.S.C.R. 10.1.

7. **OPENING STATEMENT**

Opening statements shall be limited to a brief, non-argumentative outline of what the attorney expects the evidence to show.

8. **DEMONSTRATIVE AIDS**

Demonstrative aids must be approved by the Court before being shown to the jury.

9. **VERDICT FORM**

The parties shall submit a proposed verdict form prior to commencement of trial.

10. **DECORUM**

Professionalism (which includes courtroom courtesy) is required at all times.

Unless the Court has entered a prior Order governing the issues addressed above, this Order shall control the course of the trial and may not be amended except by consent of the parties and the Court or by Order of the Court to prevent manifest injustice.

SO ORDERED this 7th day of May, 2024.
