CONTINUANCES:

Pursuant to Rule 8.5 of the Uniform State Court Rules, continuances WILL NOT BE GRANTED MERELY BY AGREEMENT OF COUNSEL OR BY TELEPHONE. This Court requires that all requests for continuance must be filed and received by the Court at least five (5) days prior to the call of the calendar. If mailed, send to address listed below. Requests shall contain the following information: Reason for requesting the continuance; length of time to be continued (i.e. 30, 60, 90 days); if opposing counsel or party agrees to continuance; if continuances have previously been granted, to which party and for what reason; an Order for Judge Smith's signature in the event the request is granted. It is the responsibility of the requesting party to ascertain if continuance has been granted and to notify all parties. NOTE: Continued cases will lose calendar position.

CONSOLIDATED PRE TRIAL ORDERS:

Unless otherwise ordered, all cases shall file a **consolidated** pre-trial order in the form set out in U.S.C.R. 7.2 and signed by all parties, no later than Monday, **April 21, 2025**.

APPEARANCE OF COUNSEL:

Pursuant to Rule 8.4 of the Uniform State Court Rules, parties and counsel are subject to being called for trial, unless otherwise directed by the Court. Should any of the actions settle or otherwise be removed from the calendar, the next one in sequence shall be moved up. Counsel and/or Pro Se litigants are directed to call 770-822-7529 after 1:00 p.m. on Friday before the week of jury trials for a list of the cases to appear on the following Monday. Each attorney/party will need to contact 770-822-7529 daily after 4:00 p.m. for an update for the cases which need to appear the following day.

DISMISSALS AND SETTLEMENTS:

It is required by this Court that any dismissal be submitted to the Clerk of Court and a copy forwarded to Veronica Sharifi at the e-mail address listed below, prior to case being called for trial. Any settlement announcement shall be submitted to Veronica Sharifi at the e-mail address listed below, prior to case being called for trial, or the terms of such agreement shall be dictated to the court reporter and made a part of the record. Otherwise, the case may be DISMISSED FOR WANT OF PROSECUTION.

MEDIATION/ARBITRATION:

If all parties agree to participate in mediation or arbitration, the case will be removed from the trial calendar. The attached ADR form **must** be received by the announcement due date set forth above. **Late ADR forms will not be considered.**

COURT REPORTER:

Our official court reporter ("CR") will be present, and you may retain her. Failure to share in "take down" costs may impair your ability to procure a transcript. The attorney or pro se litigant retaining the CR shall pay all fees immediately upon the conclusion of the hearing or trial. There will be an additional cost for any transcript that is ordered. **Counsel or pro se litigant should be prepared to make immediate payment at the time "take down" is completed.**

A copy of Gwinnett's *Alternative Dispute Resolution Program Standing Order* regarding Alternative Dispute Resolution (ADR) may be obtained at www.gwinnettcourts.com/#courtprograms_alternativedisputeresolution. Mediation, arbitration, and case evaluation are alternatives that may be requested through the judge's office. If you choose an alternative process, a list of neutrals with their background experience and rates is available at [www.Gwinnett County - Court Programs - ADR Processes \(gwinnettcourts.com\)](http://www.Gwinnett County - Court Programs - ADR Processes (gwinnettcourts.com)). You may also contact a Dispute Resolution Coordinator at 770-822-8553. The parties are responsible for agreeing on a neutral, covering the cost of the neutral, and coordinating with the neutral to set a date for the ADR session. Sessions may be held at the Gwinnett Justice and Administration Center at 9:00 a.m. or 1:00 p.m. weekdays. If the parties cannot agree on a neutral, the court will appoint one.

DEFINITIONS

◆ Mediation

A consensual process in which a neutral third party (the mediator) assists parties in a dispute in reaching their own resolution. Cases with underlying disputes, personal relationships, and emotional issues are good candidates for mediation. The mediator has no authority to make a decision or impose settlement. There is no formal evaluation by the mediator. The mediator helps facilitate communication, promote understanding, focus the parties on their interests, and seek creative problem solving to enable the parties to reach their own agreement. The mediator may offer suggestions and help parties develop options; however, the parties retain the ultimate decision-making power.

◆ Arbitration

The primary goals of arbitration is to speed up the resolution of cases, reduce litigation costs to the parties and to the court, and provide attention to cases that otherwise would settle with little or no involvement of the court. Attorneys, or pro se litigants, present documentary evidence, testimony, and legal arguments in a hearing, before a neutral, third party fact-finder. The arbitration may be conducted with one fact-finder in which case the arbitrator must be an attorney with at least five years experience or a panel of arbitrators may be used from different areas of expertise (with the lead arbitrator being an attorney). In non-binding arbitration, the arbitrator(s) renders a decision which becomes the order of the court unless appealed within a specified number of days, in which case a trial *de novo* is granted. The parties may stipulate in advance to binding arbitration, in which case the award is immediately converted to a judgment.

◆ Case Evaluation

Case evaluation provides the parties with a **confidential**, non-binding evaluation of their case by an impartial, experienced attorney. The neutral reviews the case with the litigants and their attorneys and gives advice on the strengths and weaknesses of their case and the likely outcome at trial. The case evaluator may help parties convey additional information to each other, develop a discovery plan, and narrow the issues in dispute. Often the neutral assists in facilitating the resolution of the case or in developing a settlement plan.

Mediation and Case Evaluation sessions and related materials are confidential. No information will be provided to the Court, other than the fact that a case has settled, or a follow up session is needed.

Outstanding Motions; 9. Name and telephone number of attorney trying the case; 10. Number of witnesses; 11. Number of exhibits; 12. Interpreter requests; 13. If parties or witnesses are out of state.

CONTINUANCES:

Pursuant to Rule 8.5 of the Uniform State Court Rules, continuances WILL NOT BE GRANTED MERELY BY AGREEMENT OF COUNSEL OR BY TELEPHONE. This Court requires that all requests for continuance must be filed and received by the Court at least five (5) days prior to the call of the calendar. If mailed, send to address listed below. Requests shall contain the following information: Reason for requesting the continuance; length of time to be continued (i.e. 30, 60, 90 days); if opposing counsel or party agrees to continuance; if continuances have previously been granted, to which party and for what reason; an Order for Judge Smith's signature in the event the request is granted. It is the responsibility of the requesting party to ascertain if continuance has been granted and to notify all parties. NOTE: Continued cases will lose calendar position.

CONSOLIDATED PRE TRIAL ORDERS:

Unless otherwise ordered, all cases shall file a **consolidated** pre-trial order in the form set out in U.S.C.R. 7.2 and signed by all parties, no later than Monday, **May 12, 2025**.

APPEARANCE OF COUNSEL:

Pursuant to Rule 8.4 of the Uniform State Court Rules, parties and counsel are subject to being called for trial, unless otherwise directed by the Court. Should any of the actions settle or otherwise be removed from the calendar, the next one in sequence shall be moved up. Counsel and/or Pro Se litigants are directed to call 770-822-7529 after 1:00 p.m. on Friday before the week of jury trials for a list of the cases to appear on the following Monday. Each attorney/party will need to contact 770-822-7529 daily after 4:00 p.m. for an update for the cases which need to appear the following day.

DISMISSALS AND SETTLEMENTS:

Any settlement announcement shall be submitted to Veronica Sharifi at the e-mail address listed below, prior to case being called for trial, or the terms of such agreement shall be dictated to the court reporter and made a part of the record. Otherwise, the case may be DISMISSED FOR WANT OF PROSECUTION.

MEDIATION/ARBITRATION:

If all parties agree to participate in mediation or arbitration, the case will be removed from the trial calendar. The attached ADR form **must** be received by the announcement due date set forth above. **Late ADR forms will not be considered.**

COURT REPORTER:

Our official court reporter ("CR") will be present, and you may retain her. Failure to share in "take down" costs may impair your ability to procure a transcript. The attorney or pro se litigant retaining the CR shall pay all fees immediately upon the conclusion of the hearing or trial. There will be an additional cost for any transcript that is ordered. **Counsel or pro se litigant should be prepared to make immediate payment at the time "take down" is completed.**

A copy of Gwinnett's *Alternative Dispute Resolution Program Standing Order* regarding Alternative Dispute Resolution (ADR) may be obtained at www.gwinnettcourts.com/#courtprograms_alternativedisputeresolution. Mediation, arbitration, and case evaluation are alternatives that may be requested through the judge's office. If you choose an alternative process, a list of neutrals with their background experience and rates is available at [www.Gwinnett County - Court Programs - ADR Processes \(gwinnettcourts.com\)](http://www.Gwinnett County - Court Programs - ADR Processes (gwinnettcourts.com)). You may also contact a Dispute Resolution Coordinator at 770-822-8553. The parties are responsible for agreeing on a neutral, covering the cost of the neutral, and coordinating with the neutral to set a date for the ADR session. Sessions may be held at the Gwinnett Justice and Administration Center at 9:00 a.m. or 1:00 p.m. weekdays. If the parties cannot agree on a neutral, the court will appoint one.

DEFINITIONS

◆ Mediation

A consensual process in which a neutral third party (the mediator) assists parties in a dispute in reaching their own resolution. Cases with underlying disputes, personal relationships, and emotional issues are good candidates for mediation. The mediator has no authority to make a decision or impose settlement. There is no formal evaluation by the mediator. The mediator helps facilitate communication, promote understanding, focus the parties on their interests, and seek creative problem solving to enable the parties to reach their own agreement. The mediator may offer suggestions and help parties develop options; however, the parties retain the ultimate decision-making power.

◆ Arbitration

The primary goals of arbitration is to speed up the resolution of cases, reduce litigation costs to the parties and to the court, and provide attention to cases that otherwise would settle with little or no involvement of the court. Attorneys, or pro se litigants, present documentary evidence, testimony, and legal arguments in a hearing, before a neutral, third party fact-finder. The arbitration may be conducted with one fact-finder in which case the arbitrator must be an attorney with at least five years experience or a panel of arbitrators may be used from different areas of expertise (with the lead arbitrator being an attorney). In non-binding arbitration, the arbitrator(s) renders a decision which becomes the order of the court unless appealed within a specified number of days, in which case a trial *de novo* is granted. The parties may stipulate in advance to binding arbitration, in which case the award is immediately converted to a judgment.

◆ Case Evaluation

Case evaluation provides the parties with a **confidential**, non-binding evaluation of their case by an impartial, experienced attorney. The neutral reviews the case with the litigants and their attorneys and gives advice on the strengths and weaknesses of their case and the likely outcome at trial. The case evaluator may help parties convey additional information to each other, develop a discovery plan, and narrow the issues in dispute. Often the neutral assists in facilitating the resolution of the case or in developing a settlement plan.

Mediation and Case Evaluation sessions and related materials are confidential. No information will be provided to the Court, other than the fact that a case has settled, or a follow up session is needed.
