If mailed, send to address listed below. Requests shall contain at least the following information: reason for requesting the continuance; length of time to be continued (i.e. 30, 60, 90 days); if opposing counsel or party agrees to continuance; if continuances have previously been granted, to which party and for what reason; and, an Order for Judge Colvin's signature in the event the request is granted. It is the responsibility of the requesting party to ascertain if a continuance has been granted and to notify all parties. **Motions for Continuance, whether opposed, unopposed or by consent, will be granted only upon a showing of good cause. Continued cases will lose calendar position.**

If you would like your case taken down by the CR, the cost to do so is \$43.31 per hour (or half if cost is shared). There will be an additional cost for any transcript that is ordered. **Counsel or pro se litigant should be prepared to make immediate payment at the time "take down" is completed.**

A copy of Gwinnett's *Alternative Dispute Resolution Program Standing Order* regarding Alternative Dispute Resolution (ADR) may be obtained at www.gwinnettcourts.com/#courtprograms_alternativedisputeresolution. Mediation, arbitration, and case evaluation are alternatives that may be requested through the judge's office. If you choose an alternative process, a list of neutrals with their background experience and rates is available at www.gwinnettcourts.com/home.asp#courtprograms_adrprocesses. You may also contact a Dispute Resolution Coordinator at 770/822-8587. The parties are responsible for agreeing on a neutral, covering the cost of the neutral, and coordinating with the neutral to set a date for the ADR session. Sessions may be held at the Gwinnett Justice and Administration Center at 9:00 a.m. or 1:00 p.m. weekdays. If the parties cannot agree on a neutral, the court will appoint one.

DEFINITIONS

★ Mediation

A consensual process in which a neutral third party (the mediator) assists parties in a dispute in reaching their own resolution. Cases with underlying disputes, personal relationships, and emotional issues are good candidates for mediation. The mediator has no authority to make a decision or impose settlement. There is no formal evaluation by the mediator. The mediator helps facilitate communication, promote understanding, focus the parties on their interests, and seek creative problem solving to enable the parties to reach their own agreement. The mediator may offer suggestions and help parties develop options, however, the parties retain the ultimate decision-making power.

★ Arbitration

The primary goals of arbitration is to speed up the resolution of cases, reduce litigation costs to the parties and to the court, and provide attention to cases that otherwise would settle with little or no involvement of the court. Attorneys, or pro se litigants, present documentary evidence, testimony, and legal arguments in a hearing, before a neutral, third party fact-finder. The arbitration may be conducted with one fact-finder in which case the arbitrator must be an attorney with at least five years experience or a panel of arbitrators may be used from different areas of expertise (with the lead arbitrator being an attorney). In non-binding arbitration, the arbitrator(s) renders a decision which becomes the order of the court unless appealed within a specified number of days, in which case a trial *de novo* is granted. The parties may stipulate in advance to binding arbitration, in which case the award is immediately converted to a judgment.

★ Case Evaluation

Case evaluation provides the parties with a **confidential**, non-binding evaluation of their case by an impartial, experienced attorney. The neutral reviews the case with the litigants and their attorneys and gives advice on the strengths and weaknesses of their case and the likely outcome at trial. The case evaluator may help parties convey additional information to each other, develop a discovery plan, and narrow the issues in dispute. Often the neutral assists in facilitating the resolution of the case or in developing a settlement plan.

★ Summary Jury Trial

A summary jury trial is a unique style of presenting a civil case. It is an abbreviated trial before a judge and a jury. All evidence shall be presented through the attorneys for the parties and no witnesses will be called to testify. The attorneys may summarize and comment on the evidence and may summarize and quote directly from depositions, interrogatories, requests for admissions, documentary evidence and sworn statements of potential witnesses. After counsels' presentations the jury will be given an abbreviated charge on the applicable law. The content of the charge will be reviewed with counsel prior to the summary jury trial.

Neither the arguments of counsel nor the jury verdict is binding on the parties unless counsel stipulate that a verdict by the jury will be deemed a final determination on the merits and that judgment, be entered thereon by the court. Counsel may stipulate to any other use of the verdict that will aid in the resolution of the case.

Mediation and Case Evaluation sessions and related materials are confidential. No information will be provided to the Court, other than the fact that a case has settled or a follow up session is needed.
