**OUR OFFICIAL COURT REPORTER MAY NOT BE PRESENT DUE TO COURT REPORTER SHORTAGE & STRICT CRIMINAL TRANSCRIPT DEADLINES – YOU MAY STILL SEEK HER POTENTIAL AVAILABILITY. IF SHE IS NOT AVAILABLE YOU MUST HIRE YOUR OWN COURT REPORTER. SEE PAGE 2.**

**VIRTUAL APPEARANCE - ZOOM:** Bench Trials & Witness in Jury Trials: Pursuant to USCR 9.1 & 9.2, all bench

trials may be conducted virtually by consent, but jury trials cannot be conducted virtually. Despite this provision, all witnesses and parties in civil trials may testify remotely in the discretion of the Court. Only counsel may be required to be present.

**VIDEO PARTICIPATION:** Each respective attorney, party and witness should each have their own high-quality audio/video connection if video testimony is to be presented by ANY PARTY OR WITNESS. Utilize the separate connection similarly to having the witness (party) appear separately on the witness stand. If the rule of sequestration is invoked: (1) the testifying witness(party) should be in a separate room, to the extent possible; (2) No other persons should be present with a testifying witness; (3) nor should such testifying witness utilize other electronic devices while testifying.

Should you wish to appear by video, meeting instructions will be sent to you via email together with an instruction at a later time.

**Exhibits:** Parties should email all exhibits to the Court pre-marked in .pdf format to [Supctdiv10@gwinnettcountry.com](mailto:Supctdiv10@gwinnettcountry.com) with a copy to the opposing side.

**Laptop to Courtroom:** If anyone connected to the case is appearing remotely, please bring a laptop so that you can be better seen as well as better question or cross-exam the remote witness/party.

**CONTINUANCES & IMMEDIATE TRIAL CALENDAR RESET DATES:** Pursuant to 8.5 URSC, continuances WILL NOT BE GRANTED MERELY BY AGREEMENT OF COUNSEL. If the case has not previously been continued by this Division, then telephone/email mutual consent requests may be made to Bahar Graveran @ 770.822.8043 or emailed to [supctdiv10@gwinnettcountry.com](mailto:supctdiv10@gwinnettcountry.com). A reset date shall be scheduled.

**Previously continued cases: If the case has been previously continued by this Division, then all requests for continuance shall be submitted, in pleading form, at least five (5) days prior to the call of the Calendar.** (Requests can be submitted via efilng through the Clerk of Court's eFileGA portal, or emailed as a signed attachment to [supctdiv10@gwinnettcountry.com](mailto:supctdiv10@gwinnettcountry.com)) Requests shall contain the following information: Reason for the continuance, length of time, (i.e. 30, 60, 90 days), proposed trial month reset date, if opposing counsel or party agrees/disagree to continuance, if continuances have previously been granted, to which party and for what reason; an Order for Judge's signature in the event the request is granted. The requesting party shall ascertain if continuance has been granted and shall notify all parties. Calendar position may be lost.

**Court Reporter Shortage and Effect upon Civil Take-Down.** Given the critical shortage of court reporters and the court's duty to provide take-down for criminal cases, as well as strict criminal transcript filing deadlines, the courts can no longer guarantee that an official court reporter will be available for takedown in all civil/domestic matters.

Our official court reporter ("OCR") **MAY NOT BE PRESENT** for this calendar. You may inquire of potential availability by sending an email request to Carole Poss, [carole.poss@gwinnettcountry.com](mailto:carole.poss@gwinnettcountry.com) (770-822-8540) and a copy sent to our judicial assistant, Bahar Graveran, [bahar.graveran@gwinnettcountry.com](mailto:bahar.graveran@gwinnettcountry.com).

**Reminders:** If only one side employs a court reporter, without sharing in takedown, that will have an adverse effect upon the party not sharing in takedown costs. Failure to share in 'take down' costs will impair the ability to procure a transcript. Failure to have an OCR take down your case may affect any appeal from an adverse ruling by the court. The cost for our OCR take-down of the trial is approximately \$43.31 per hour (or \$21.50 per hour if cost is shared between the parties). The party/parties retaining an OCR shall pay all takedown fees immediately upon conclusion of the hearing/trial.

Costs for a privately employed CR may vary. If a private CR is hired, the parties wishing to share in take-down shall share the cost rather than bringing two separate OCRs.

**ALL PARTIES – A TAKE DOWN FEE IS FOR THAT PURPOSE, TO MERELY PRESERVE THE RECORD. THE PREPARATION OF A TRANSCRIPT IS AN ADDITIONAL SERVICE WHICH REQUIRES ADDITIONAL PREPAYMENT OF APPROXIMATELY \$4.00 PER PAGE.**

**DOCUMENTS E-FILED WITHIN ONE WEEK OF TRIAL:** Documents E-FILED within one week of trial may not be visible on the electronic database and may not be part of the file available to the Court. Counsel should bring extra copies to trial of all documents stamped filed within one week of trial to better ensure that the Court is apprised of all recently filed documents.

**EXHIBITS:** Pursuant to O.C.G.A. 9-11-16, if no Consolidated Pretrial Order has been entered, no less than one week prior to the first scheduled jury trial date, each party shall reasonably confer with the opposing party and attempt to obtain admissions for various exhibits for each party's respective case in chief. Exhibits intended solely for rebuttal or impeachment are not included in this provision.

**DISMISSALS AND SETTLEMENTS:** Any dismissal or settlement announcement shall be submitted to the Clerk and a copy forwarded to the Judge's Chambers. Counsel should be prepared to reduce all settlements immediately to writing and signed by the parties. The court will assist parties should computer or FAX access be needed for cases settled at the calendar call or other court appearance. The Court discourages the reading of settlements into the record. If the case is settled, be prepared to reduce any settlements to writing instantly.

**JURY CHARGES:** For those actions appearing on the ready list, counsel shall send proposed Jury Charges to Jennifer Taylor via email ([Jennifer.taylor@gwinnettcountry.com](mailto:Jennifer.taylor@gwinnettcountry.com)), prior to the start of the trial week.

***For Courtroom technology assistance please contact Hayat Zamayar, AOC, 770.822.8680 / [hayat.zamayar@gwinnettcountry.com](mailto:hayat.zamayar@gwinnettcountry.com), or Patrick Watts, 770.822.8335. [Patrick.watts@gwinnettcountry.com](mailto:Patrick.watts@gwinnettcountry.com)***

### **DOMESTIC CASES**

**UNIFORM SUPERIOR COURT RULE 24.2, FINANCIAL DATA REQUIRED:** Except as noted below, at least fifteen (15) days before any temporary or final hearing in any action for temporary or permanent child support, alimony, equitable division of property, modification of child support or alimony or attorney's fees, the party requesting such hearing shall file with the Clerk of Court and serve upon the opposing party the affidavit specifying his or her financial circumstances in the form set forth herein. In cases filed with complete separation agreements or consent orders resolving all issues but the issue of divorce, the parties are not required to file financial affidavits, unless otherwise ordered by the Court. Within five (5) days of service of the affidavit and worksheet and schedules (where applicable) unless the court shortens or enlarges the time, the opposing party shall file with the clerk and serve upon the other party the affidavit specifying his or her financial circumstances in the form set forth herein and the worksheet and schedules, completed insofar as possible. The parties shall file with the clerk and serve upon each other the affidavit and worksheet and schedules (where applicable) at least ten (10) days prior to any court ordered mediation or other alternative dispute resolution proceeding. In any case in which a party has previously filed and served the affidavit, worksheet and schedules and thereafter amends the affidavit or worksheet and schedules, any such amendments shall be served upon the opposing party at least 10 days prior to final hearing or trial and shall be filed with the Clerk of court at or before trial. Failure of any party to furnish the above financial information, in the discretion of the Court, may subject the offending party to the penalties of contempt and may result in continuance of the hearing until such time as the required financial information is furnished or such other sanctions or remedies deemed appropriate in the Court's discretion.

#### **Four Mandatory Requirements for Cases Involving Minor Children**

1. **Child Support Worksheets & Guidelines:** ALL parties/attorneys **MUST** submit the Child Support Worksheet & Schedules, from the Child Support Calculator website (<https://csconlinecalc.georgiacourts.gov/>) You will need to share your worksheet with our staff attorney, Jennifer Taylor, [jennifer.taylor@gwinnettcountry.com](mailto:jennifer.taylor@gwinnettcountry.com) and the judge assigned to hear your case. Please

After you have created and saved your CSW, you will need to share it. Go back to the beginning and search for your CSW. On the left side of the screen, you will see a + symbol. Click on that. On the right side of the screen you will see a header of "Options." Click Share Worksheet. of 'to be made available to the Court.' (see Help Menu > User Guide p.23 transmit to Court and send a copy to the adverse party.). If your case involves a prospective reduction of child support as the number of children receiving support decreases, then you must submit worksheets for each change. (3 children, then 2 children, etc.)

2. **Navigating Family Change:** For all cases involving minor children, both parties **MUST** attend a Parenting Seminar prior to final trial. All administrative functions for the Parenting Seminars (Basic, Spanish, and Advanced Co-Parenting) will be provided by the Center for Navigating Family Change. To register for the seminars, parties can go to the websites listed below. All questions regarding the seminars can be directed to [info@cnfc.org](mailto:info@cnfc.org) or call 404.592.1257.
  - i. Navigating Family Change (English) <https://cnfc.org/nfc-online/>
  - ii. Navigating Family Change (Spanish) <https://cnfc.org/nfc-spanish/>

iii. Advanced Parenting Seminar <https://cnfc.org/advanced-workshop/>  
You may also meet this requirement by completing the on-line parenting classes at either <http://online.divorce-education.com/> or [www.onlineparentclass.com](http://www.onlineparentclass.com) (4 hour course)

3. **Child Support Addendum:** (Standing Order Child Support Computation Procedures.) Gwinnett's Child Support Addendum must be submitted in all cases in which child support is sought. These forms may be obtained from the clerk of court's office or they may be obtained on line at (form 10) If the parties intend to decrease periodic support as the number of children for whom support is paid decreases, these forms must be modified. <http://www.gwinnettcourts.com> > Courts & judges > Superior Court > Forms and Documents **OR** go to Gwinnett Family Law Clinic, <https://gwinnettfhc.atlantalegalaid.org/> and search database (See category – List every form.)

4. **Parenting Plan:** In any case wherein custody of any child is at issue between the parents, **EACH** parent shall prepare a proposed parenting plan **OR** the parties may jointly submit a parenting plan to be filed with the clerk of court. Accordingly, the final decree determining the custody of a child, including modification actions, must incorporate a permanent parenting plan either separately attached or incorporated into a settlement agreement. Parenting Plan forms may be obtained from the clerk of court or online <http://www.gwinnettcourts.com/> > Courts & judges > Superior Court > Forms and Documents **OR** go to Gwinnett Family Law Clinic, <https://gwinnettfhc.atlantalegalaid.org/> and search database (See category – List every form.)

The Court discourages attempting to incorporate a parenting plan into a settlement agreement as most fail to incorporate the provisions required by O.C.G.A. § 19-9-1 and U.S.C.R. § 24.10.
