IN THE MATTER OF:	)	CASE NO. 5284
	)	
ESTATE OF HENRY E. RAINEY	)	GWINNETT COURT OF ORDINARY
	)	
	)	

ONE-HALF UNDIVIDED INTEREST

Oakhurst Grocery
4709 Buford Highway
Doraville, Georgia

The store is located on Buford Highway and accordingly has considerable traffic flow. The same was operated by the deceased and MERLENE RAINEY, his wife, as a joint venture.

It is operated from 6:00 A.M. until 11:00 P.M. and is open seven days per week. Competition and low profit margin require a seven-day per week operation.

There are numerous stores of a similar nature within a relatively short distance and one new store which is a direct competitor has been opened since the beginning of the year.

Four primary problems exist:

1) Inadequate parking.
2) Necessity of maintaining a low payroll and yet adequately cover the store operation and the sale of gas and oil.
3) Need for remodelling the existing facility.
4) Outdated fixtures.

The store was acquired in 1959 for approximately $4,000.00, which included fixtures and inventory. The monthly rental is $100.00 per month. Inventory has been maintained at a level of approximately $5,000.00 retail cost, which figure should be reduced 30 per cent to arrive at approximate cost value.

Actual replacement cost estimated is as follows:

1961 Chevrolet Impala ---- radio, heater, power steering, power brakes --------- $1,350.00

The value of this automobile is based upon information received from automobile salesmen familiar with the used car market. In view of the 1964 models which will be on the market in the near future, the valuation would be reduced accordingly.

Clothing, personal effects, ornaments of the person (est.) $150.00

116 Johnson Drive, Doraville, Gwinnett County, Georgia, acquired July 16, 1960.

Actual cost price is a variable by reason of the fact that another house which was owned by the deceased was traded for the existing structure. Based upon the cash sales price of adjacent property and information received it appears the actual cost price was between $17,500.00 and $18,000.00.

The house is located in a middle-class neighborhood of similar homes on a paved dead-end street. The house has no basement and a floor diagram is attached hereto.

The reasonable fair market value of the house at the date of death of deceased is $18,000.00 which does not take into account any real estate sales commission if sold through a licensed real estate broker. The outstanding principal balance on the loan as of August 1, 1963 is $12,442.14.

Merlene Rainey has paid the monthly notes thereon for May, June and July, 1963 from personal funds.

Cash -- money belonging to deceased (in possession of Merlene Rainey) --------- $35.00

A new account has been opened in Chamblee National Bank, Chamblee, Georgia in the name of Ruby L. Rainey, Administratrix.

Account in the name of Oakhurst Grocery was maintained in the Chamblee National Bank, Chamblee, Georgia, by the deceased and Merlene Rainey. Subsequent to his death, the account was changed to the name or Merlene Rainey at the same bank. Original deposit of joint funds on hand was $1,275.16, which included $710.00 as proceeds received from the sale of a truck on the day of the death of deceased.

From this sum the deposits and withdrawals have been made for operation of the business and include repayment of a loan to the father of the deceased in the sum of $500.00 and payment of a portion of the funeral bill of the deceased. The amount on hand (one-half of the same being attributable to the estate of Henry E. Rainey and one-half to Merlene Rainey) is in fact joint funds incidental to the grocery store and there is presently a balance on hand of approximately $700.00.

Records of all checks written and deposits made are available for examination to verify the receipts and disbursements.

• The fixtures are mostly outdated and in need of repair.

Actual replacement cost estimated is as follows:

Milk box and meat case	--------	$200.00
Drink box	--------	40.00
Barbeque machine	--------	75.00
Counters, racks, meatblock, scales, other fixtures	-------	50.00
Sausage machine	--------	150.00
Slicing machine	--------	25.00
Freezer, chest style	--------	75.00
Freezer	--------	25.00
Meat case (closed front)	--------	200.00
Cash register	--------	100.00
Total	--------	$940.00

Inventory	April 1, 1963	------	$5,822.42
Est. Inventory (as per store records)	May 1, 1963	------	4,800.00
Less 30% to arrive at cost		------	1,440.00
			$3,360.00
Fixtures ---- replacement cost		------	940.00
Estimated value on liquidation		------	$4,300.00
Estate of Henry E. Rainey	one-half interest	------	$2,150.00

Estimated value	-------	$4,300.00
Good will (as going business) estimated	-------	1,500.00
Estimated value as going business	-------	$5,800.00
Estate of Henry E. Rainey one-half interest	------	$2,900.00

We, the undersigned appraisers, do certify that, having been first sworn by and before each other according to law, the within and foregoing is a true inventory and appraisement of all the estate of Henry E. Rainey, deceased, so far as the same was produced before us by the Adminstratrix Mrs. Ruby L. Rainey, of said deceased, to the best of our judgment and understanding.
